BRAND POSITIONING

Stop Guessing.

Launch Better Innovation.

We exist to end the era of gut-feel product launches. Innovatr gives teams validated consumer intelligence — in 24 hours, not 24 weeks.

- "Smart Research in 24 Hours."
- "Make Better Decisions. Faster. With Less Risk."

WHY INNOVATR WINS

⚡ Speed

24-hour turnaround. 40× faster than traditional research. From brief to validated insight in one business day.

🌍 Scale

44M+ consumer panel across 25+ markets. 14 blueprint types across 10+ industries.

🧠 Intelligence

AI-powered qual + quant + strategy. Pulse Insights bi-weekly. Always-on intelligence flywheel.

BRAND VOICE & TONE

How We Speak. Always.

01
Bold.

We lead with conviction. Never hedge. If we believe something, we say it clearly and without apology.

"Stop guessing. Test it."

02
Direct.

Short sentences. Clear claims. We respect the reader's time. Every word earns its place.

"Research in 24 hours."

03
Smart.

Evidence-backed, insight-driven. We earn authority through data — proof before proclamation.

"40× faster than traditional."

04
Human.

Warmth behind the confidence. We build businesses but always talk to people first.

"Your customers know. Ask them."

05
SA-Proud.

Unapologetically South African. Local market intelligence at global standard.

"Built in SA. Trusted globally."

TOKEN RULE

Always reference tokens. Never hardcode raw values.

Use CSS custom properties throughout. When the brand refreshes or dark mode ships, every colour propagates automatically — no manual find-and-replace required.

Innovatr

Maintain clear space equal to the cap-height on all four sides. No competing elements inside the protected zone.

IDENTITY RULES

- ✓ Always use the supplied logo files — never recreate in a different typeface
- ✓ Light on cream/white · Dark logo on dark backgrounds · Brand violet background
- ✓ Scale uniformly from a locked master file — no freehand resizing
- ✗ Never distort, stretch, rotate, or skew the mark
- ✗ Never place on busy photography or low-contrast backgrounds
- ✗ Never add drop shadows, outlines, or decorative effects
- ✗ Never recreate the wordmark in a different typeface or weight

SPACING SYSTEM
